

## QUADRING PARISH COUNCIL.

*"Rossett",  
Towndam Lane,  
Donington,  
Nr Spalding,  
Lincs. PE11 4TR.*

*he Parish Council met on Monday 29<sup>th</sup>. April 2019, under the  
chairmanship of Coun. M. Clift.*

*he parked taxi on the Main Road was still causing problems and the  
Clerk was to speak to Acorn Taxis. It was not known whether or not  
the broken chevron in Watergate had been repaired although the 30  
mph sign at the Gosberton side of the village had. The potholes at the  
Bank Crossroads had not been repaired and the broken toilet was still  
laying at the side of Quadring Bank. It was thought that the latter  
would not be picked up as it was probable on private land.*

*The Police letter stating that there would be less of a presence at Parish  
Council Meetings was read out, but the Council still needed updating  
regularly about any problems. Coun Bingham stated that he had  
reported an incident, but this had not been passed onto the Council.*

*The Church were asking for a donation of £3000 towards updating the  
Church, but as the precept had already been set in January, the only  
money available was the £3000 which the Council donated towards the  
Churchyard upkeep each year. There were people already helping by  
replacing gravestones and tidying up.*

*It was stated that there were people living on site at the Sarahgate  
Lane development. No Planning Permission had been granted for  
this. Workmen had been parking in the Hall car-park which is not  
allowed. There is a broken fire hydrant in Casswell's Drive.*

*Dropped inspection chambers were causing a nuisance in Towndrove,  
and the air-raid shelter in Sarahgate Lane was getting broken into  
regularly, and people are getting injured. There was a need for  
warning signs at the corners near Burrell's in Towndrove. The  
Council approved a pay rise for the Clerk and the pay will be reviewed  
yearly.*
