DRAFT Minutes of Meeting

Monday 26th June 2023 at 7.00pm at St Margarets Village Hall, Quadring.

Public Forum

7 members of the public attended in order to discuss the Park Committee that was brought to the last parish meeting. Speaker for the public stated they had around 10 people interested in forming a Park Committee, unfortunately not all were able to attend. Cllr Bingham explained a little of where we were at with regards to the park and that for the Park Committee to form they would need a member of the parish council to stand alongside. Speaker asked how the Committee would be set up, it was explained that a Chair, Vice and someone to take Minutes would be required and that a minimum of 4 members would need to attend meetings that they held. Cllr Bingham explained that any ideas, fund raising or requests would be facilitated by the parish council and any information they had could either be emailed to the clerk or be brought to future council meetings.
