

YOUR NEW WASTE AND RECYCLING SERVICE IS COMING

from 9 November 2026

We are introducing a new and improved waste and recycling service across South Holland, bringing us in line with the rest of Lincolnshire.

All households will receive a welcome letter, new collection calendar and a 24-page information leaflet through the post before collections begin.

What's changing?

Weekly food waste collections

Use your orange-lidded food caddy for all your food waste. Collections weekly on the same day as your other waste.

Mixed dry recycling collections monthly

Use your blue-lidded bin for clean, dry and loose recycling (plastics, cans, cartons, glass etc).

Paper and card collections monthly

Use your purple-lidded bin for paper and card only. Keep it clean, dry and loose.

General waste collections fortnightly

Use your black-lidded bin for non-recyclable waste. Waste can be bagged and placed in this bin.

Your collection cycle

From week commencing 9 November you'll have one collection per week, following a four-week pattern.

Food waste is collected every week

Please present your orange-lidded food caddy alongside your bin on your collection day.

Please check your new collection calendar carefully which confirms your new collection dates.

WEEK 1

General waste collection

WEEK 2

Mixed dry recycling collection

WEEK 3

General waste collection

WEEK 4

Paper and card recycling collection

Please remember to:

Present bins by 5.30am on your collection day

Place bins/caddy at the edge of your property/established collection point with the handles facing out

Return bins/caddy to your property after collection

A cleaner, greener South Holland

More recycling and food waste collections mean less waste and a healthier environment.

Supporting our community

Assisted collections will continue and communal collection points will be served as agreed.

Help and advice

Full guidance on what goes in what bin, how to reduce waste and tips for recycling will be in your welcome pack and online.

Your collection day may change

As part of a full round review, some households will have a different collection day. Please check your calendar when it arrives.
