Other villages in the area had been diverted to different villages. These monies would not be paid until the last house on any development had been finished.

A cheque made out to Spalding Bulb Auction, for grit on icy roads, was signed.

The Clerk was to contact Rhonnda Booth at the SHDC Democratic Services regarding a comment made on the SHDC site about the proposed development at Crossroads Nursery. It stated that it was from the Parish Council, but this was not correct.

The Women's Institute would like the Playing Field again this year for their Annual Fun Day. This was ok'd. The Clerk was to try to get someone to roll the Playing Field to try to level it up.

There were complaints again regarding the road to the School and further down the lane. There was a dip in the road near the entrance from the A 152.
